

TC/3954/20

Oswestry Town Council

Report from the Operations Manager to Council – 9th December 2020

Christmas Hire of Car Parking Bays

Purpose

To consider a proposal from M&S Food for the hire of seven car parking bays in Central Car Park.

Background

We have been approached by M&S Food Oswestry who have asked to hire the seven car parks bays closest to their store for pedestrian queue management in the four days leading up to Christmas (21st-24th December inclusive). M&S already hire a bay in Central Car Park and another in Smithfield Street Car Park for trolley parking.

Proposal

Officers have negotiated a fee of £400 +VAT in total, conditional to the following:

- M&S providing a Risk Assessment with sufficient control measures for the activity to operate safely.
- M&S providing evidence of their public liability cover to the value of at least £5 million to indemnify the Council against any claim arising from this hire

Decision

Members are asked to consider this hire.

Simon Cranmer

Operations Manager
